PERFORMING ARTS CENTER

* (503) 665-5155, info@stitesdance.com *

Welcome to our *Stites* location!

We're at 11240 SE Division, one driveway east of Astro/Chevron gas station, behind a small green house.

Classes begin Monday, September 18

Pre-registration is important! It helps significantly with planning and scheduling of teachers and classes. It helps you reserve a spot in class and also helps to assure a smooth and pleasant opening week. *This applies to all levels. We truly appreciate* you taking the time to pre-register for classes.

Pre- Registration Special ☺ A \$10 THANK YOU credit is given to students who attend Pre- Registration and also a discount on attire.

Lots of Choices: Check out our schedule and then call and let us know if we haven't accommodated you – we can problem solve! Look for additional choices for cross training, (taking more than one style of dance), which is highly recommended and necessary for those someday planning on entering the intermediate and advanced levels. The classes are conveniently placed in back to back time slots with substantial discounts.

It is never too early to start cross training!

New Students

Please call **503-665-5155** and leave name, phone number, age, grade, experience (if any) and what class you might be interested in. Or send us an email at info@stitesdance.com and leave the same information. We will call you back and answer questions. We will 'pencil you in' for class and then we will look forward to meeting you at Pre-Reg. ☺
Note: We carry reasonably priced attire for our dress code and provide a very popular tap shoe rental option.

Returning Students We hope you attend Pre-reg. Even if you choose **not** to take advantage of our Pre-Reg Special, please call **503-665-5155** or email us at: info@stitesdance.com and let us know you will be returning. ☺
